

Communications between the Independent Directors and the Head of Internal Audit and Accountant

The Head of Internal Audit reports the audit report to the individual independent directors for deficiencies and improvement suggestions found in the audit operation on a monthly basis. In addition, the Head of Internal Audit explains and discusses the Company's financial and business conditions from time to time. No material events have occurred. Relevant reporting matters are reported together in the Audit Committee and the Board of Directors. The period allows the corporate governance unit to fully understand the Company's risk assessment and control status. There are no major abnormalities in the 2019 and 2022 audit results, and the independent directors have no objections. The previous communication situation is as follows:
